

# AZAHARA

WINES, VINES & ORCHARDS

Azahara derives from the Spanish for 'orange blossom'. Sourced from our family owned vineyards in Victoria, interspersed with citrus, mango and avocado groves, Azahara symbolises the unique location of our vines.

## SPARKLING ROSÉ NV

### Grape Variety:

Chardonnay & Pinot Noir

### Region:

#### Victoria

Estate Grown and harvested from our vineyards which rest alongside our orange, citrus and mango groves in North West Victoria.

### Wine Specifications:

Alc/Vol: 12.5%    pH: 3.40  
Acidity: 5.6g/L    RS: 6.5g/L

### Vinification:

Made from classic sparkling varieties of Chardonnay and Pinot Noir, Azahara Sparkling Rosé displays a delicate pink hue. Early picking of estate grown grapes, free run juice and cold, slow fermentation is followed by extended yeast lees ageing. Each year, the best parcels are folded into a modified solera system so fresh flavours are blended with older, complex characters. A final secondary fermentation (Charmat) is then initiated to produce bubbles and bring everything into harmony.

### Winemaker's Comments:

#### Colour:

Salmon with pale pink hues

#### Nose:

Aromatic and fruity with red berries, orchard fruits and hints of honey and brioche.

#### Palate:

Light, stylish and refreshing. Notes of summer red berries, fresh pear and white flowers, complemented by soft, smooth bubbles and a crisp finish.

### Cellaring Potential:

For consumption as soon as you like, why wait! Serve chilled.

### Ideal ways to enjoy AZAHARA:

Celebrating anywhere, anytime. Perfect with seafood, smoked salmon, salads or a bowl of fresh summer berries. Or just enjoy a glass on its own!
